

# Scepter™ M321

## Sterile A4 Cut Resistant Glove

Wells Lamont Industrial works with the best engineered glove technologies available on today's market to create our critical environment (CE) product line. Scepter™ cut resistant liners protect hands from prolonged exposure to latex and have a high level of tactile sensation. The M321 is lightweight and sterile in addition to providing cut and abrasion resistance. Scepter gloves can be used as a liner or stand alone.
